

Bar & Counter mats™ (2mm - NBR Backing)

Promote your products ?

These rubber backed mats are an excellent product for bar advertising and specific promotions. They are manufactured with a fully washable polyester fabric top and a non-slip nitrile base and are able to absorb all spills. They are a practical promotional or point of sale solution and are able to be machine laundered.

- Absorbent fabric polyester top so can mop up spills while providing an excellent smooth printing surface
- Digital Sublimation printing can handle any graphics
- Flexible non-slip nitrile rubber base, perfect for bar surfaces

Available size : 40x60cm - 25x90cm
